Begin Again and Have Fun!!

*****Note:** In order to maintain phrasing, there is a small bonus sequence (aka... a tag) that occurs **during** the fifth wall. On the fifth wall, you will only do the first 16 counts of the dance. Therefore, after the 8 count with the points forward and the shuffle, you add the following 4 counts and then start the dance again from the beginning. After that, there is nothing else to worry about.

4 Count Bonus

- 1-2 Rock forward onto Left; Replace weight to Right.
3-4 Step Left back into a ¼ turn to the Left; Drag Right next to Left.

Again, those four counts come during the fifth wall. After the first 16 counts of the fifth wall, add those four counts and then start the dance from the beginning again. Enjoy!!!
